

INTRODUCING THE MAXX[®] 250 HEAT PRESS

To celebrate America's 250th birthday, STAHL'S introduces the special-edition MAXX[®] 250 line of heat presses. Engineered for daily production and priced to help decorators grow, this machine is backed by Hotronix[®] and built for print on demand performance.

- Made in USA
- Available in 3 Sizes & Hat Press
- Special Anniversary Pricing for 2026
- Safety Certified & Lifetime Heating Warranty

THE MAXX[®] 250 CLAM

THE PERFECT PARTNER FOR A START-UP BUSINESS

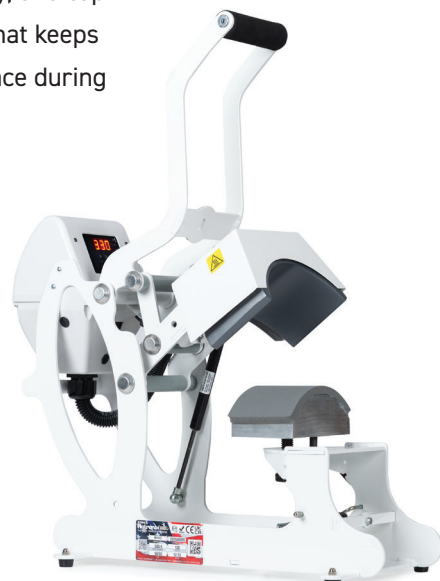

The MAXX[®] 250 is the best-selling low-cost clam-style heat press. Trust this budget-friendly machine to outperform every press in its class. Whether you're just getting into heat printing, heat printing part-time, or need a back-up press, this durable machine is the perfect partner.

THE MAXX[®] 250 CAP

SPEED UP CAP DECORATING WHILE HOLDING DOWN COSTS

This manually operated clamshell design is economical and easy-to-operate. The MAXX[®] 250 Cap offers a digital time and temperature display, and cap hold-down device that keeps caps securely in place during heat printing.
